

LIPINA VRACOV

- the folklore ensemble from Vracov / Czech Republic /

Vracov - a small town near Strážnice / where the well - known annual ethnographical festivals take place / is situated in the plains of the South - East of Moravia, known for its vegetable production and vineyards.

The ensemble LIPINA was founded in 1980. It was named after one of the oldest parts of Vracov.

All members of the group systematically collect music, songs, dances and customs of their native area. Their programme is based on local verbal customs. This ensemble performs songs Since its foundation the ensemble has gone on a lot of tours within the Czech Republic as well as abroad.

Art manager of the ensemble is Miroslav Glac.

Children's folklore group LIPINKA is a part of the ensemble Lipina. Through dances, songs and games the children learn about traditional folklore customs of the region.
